

14 July 2020

Preschool Parents,

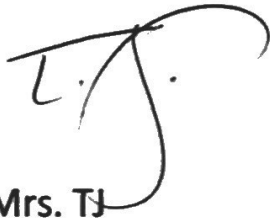

In May when my staff and I debated and voted as to when to reopen our school none of us imagined our current case load in Stanislaus County would be so high nor did we anticipate the announcement that public schools would be taught remotely. That being said, unfortunately we are where we are. I have had numerous phone calls asking about our plans regarding staying open.

At this time we are going to continue on our path of offering an on-site educational experience for our students. We have many safe guards in place, which have been running very smoothly since reopening last week. Please refer to our first COVID letter which outlines those new policies. (Even if you read the letter that was previously mailed out please double check the letter on the link as page three of the letter was left out of the letters that were mailed out.) As situations continue to arise during this pandemic, we are having to create even more policies and guidelines, but all of the policies, as annoying as some of them may be, are designed with our students and staffs' health in mind.

The decision to have your child return to our campus in August is a personal one and can only be made by your family. Several other

quality programs in our area have closed and I am getting daily calls from parents seeking spots for their children, so if your child will not be returning to school on August 3<sup>rd</sup> please let me know by July 22<sup>nd</sup>.

We miss you and hope to see you soon. Until then stay safe and healthy-

A handwritten signature in black ink, appearing to be 'T.J.' with a large, sweeping flourish that extends upwards and to the right.
